If you have any questions about this policy, please see a representative in our office. We appreciate the opportunity to serve you.

Financial Policy

The primary goal of our practice is to provide the best care to Oregonians of all ages. Since our practice has obligations that must be met, we ask that you agree and abide by our payment policies. Insurance coverage is an agreement between you and your insurance company for the payment of medical services. You are responsible for understanding your coverage benefits and guidelines for obtaining medical services. You are ultimately responsible for full payment of professional services, laboratory charges, and any additional costs associated with the visit.

Types of payment we accept are cash, check, Visa, Mastercard, and American Express.

Insured Patients: Please come to all appointments with the necessary insurance information and card(s), so we can bill the insurance in a timely and accurate manner. If patients do not have their insurance card upon check in and we are unable to verify coverage, patients will be considered a self pay patient or will have the option to reschedule.

Newborns: Please contact your insurance as soon as possible after the birth of your child. Most health plans will allow 30 days to add your newborn. Otherwise you may have to wait until an open enrollment period to add your child to the insurance policy.

Self Pay Patients: If you do not have proof of insurance, you will be considered a self pay patient.

- New Patient Consult- \$200
- Office visit/Telemedicine- \$150
- Wellness- \$200
- Sports physical- \$150

*Additional pricing available upon request

Copays: If your insurance policy has a copay, it is due at the time of service.

Collections: All balances are due within 30 days of receiving the first statement. Delinquent accounts more than 90 days past due, with no payments are subject to collections activity. You will be notified in writing prior to any action. It is the patient's responsibility to keep your contact information up to date. This includes but not limited to mailing address, phone number, and email address. This will ensure you receive your statements and are aware of your account balance.

Existing patients with delinquent accounts and/or accounts turned to a collections agency will have to pay 50% of their account balance or arrange a payment plan prior to having an appointment with a provider at Bridgeport Family Medicine.

Cancellation policy: We understand circumstances arise preventing you from coming to your appointment. Please call 24 hours in advance to cancel or reschedule your appointment. This will allow another patient in need of care to be seen. If a patient has three missed appointments, the patient may be discharged from the practice.

Appointments that are missed or canceled under 24 hours from the appointment start time are considered a no show. A no show will result in a \$50 fee. Patients may be asked to pay an outstanding no show fee prior to being seen for their next appointment.

If you arrive over ten minutes past your appointment start time, we will ask you to reschedule your appointment.

Interpath Laboratory: Bridgeport Family Medicine uses Interpath Laboratory for all lab services. Bridgeport Family Medicine does not guarantee coverage of lab work. It is your responsibility to notify the provider and staff if your insurance requires the lab work to be sent to a different laboratory. If the information is not provided in a timely manner and the clinic is unable to cancel the order, the balance will become your responsibility. Any billing questions related to lab work done by Interpath Laboratory will need to be addressed with the Interpath Laboratory Billing Department.

We understand patients could encounter challenging financial times. It is our desire to keep your medical expenses at a manageable level. If you find yourself in a financial bind and you are unable to pay your statement in full when due, please contact our office to discuss setting up a payment plan.

As a guarantor of the patient, I agree to pay for all services rendered in accordance with the terms and conditions set forth in the financial policy of Bridgeport Family Medicine. I authorize my insurance benefits to be paid directly to the provider. I authorize the provider to release any information required for this claim. I have read and understand this payment policy.
